

# RCI ACTION GROUP

## Legal proceedings have commenced

The Committee of RCI Action Group is pleased to announce that Edwin Coe have served the proceedings which were issued earlier this year on RCI Europe in the High Court in London.

### Managing this legal action: Who is Involved?

We recently published details of the Committee members <http://www.rciactiongroup.com/documents/RCI%20AG%20NEWSLETTER%20committee.pdf> but we expect that you will want to know more about the Committee, what it does and what this means for you.

The Committee consists of RCI Action Group members like you. It was formed in November 2012 and is liaising with solicitors so that all that needs to be done to achieve the object of the proceedings (ie. to try and succeed in the legal action against RCI Europe) is done. The Committee will be meeting formally every three months to:

- Review progress and
- Make sure that the needs of the members are considered at all times

The Committee is supported by Litigation Management Limited (LML), who are specialist administrators of group actions. LML is the "back office" of the action group, assisting the committee to make sure that everything runs smoothly.

### Communications/privilege

You can contact the committee at any time via email on [committee@rciactiongroup.com](mailto:committee@rciactiongroup.com)

You can expect a regular Newsletter with a progress report after each Committee meeting. We will also notify you of key developments.

As you may know, correspondence passing between a solicitor and their client is confidential or privileged. This is to ensure that any advice given by the solicitor to their client remains private and cannot be used, for example, by the other side. This means that information put out generally may be limited. More specific information and advice will be provided individually to the claimants in the action.

Communications that affect the whole group will come from the action group email address ([info@rciactiongroup.com](mailto:info@rciactiongroup.com)). We will not send you any spam or marketing

emails, so make sure that you read and act on anything that is sent from that email address. Things that involve or affect you on an individual basis will come from Edwin Coe or from LML.

### What Happens Next?

Many members have completed questionnaires providing details of their experiences when trying to use the RCI exchange system, but there are many others from whom we need to collect this information.

We need to make sure that we have information from all members so that Edwin Coe can begin to analyse each individual's case in greater detail. We will be contacting you shortly in relation to this.

Should you have any queries, please email [enquiries@litigationmanagement.co.uk](mailto:enquiries@litigationmanagement.co.uk).

*Please also note that due to the high volume of enquiries, NO telephone correspondence can be entered into, either with Edwin Coe LLP or Litigation Management Limited.*
